## Costa del Sol, Estepona

### Business Format:

A fully operational and established business including production facilities, a developed retail network, optimized logistics, a broad client base, and staffed operations—all under the recognizable Multi Cook (Galya Baluvana) brand.

### Key Advantages of Acquisition:

**Instant Launch without Bureaucracy:** All required licenses, modern equipment, active marketing channels, and qualified staff are in place—eliminating the need for complex startup efforts.

**Established Customer Base & Steady Footfall:** A large, loyal clientele combined with strong online and offline sales channels ensures consistent revenue from day one.

**Strong Growth Potential:** Includes locations earmarked for future development (e.g., Benalmádena, Torremolinos) and licenses covering multiple key regions.

**Operational Independence:** Well-structured processes in production, sales, logistics, and management allow the new owner to focus on strategic growth, not daily operations.

**Wide Regional Coverage:** Active and expanding presence across Spain's main tourist and commercial zones. Estepona, Mijas, Marbella, Malaga
