It's a south west facing apartment, overlooking a sizeable swimming pool. The terrace has been fitted in the last few years with glass curtains, enabling the owner to use this large outdoor space all year round. Of course you can fold these back during the warmer months to enjoy the summer sun fully on your own private terrace.

The living / dining room is generous, bright and very well proportioned. You can easily entertain and relax in this space whilst others enjoy the terrace which opens into the lounge.

Two spacious double bedrooms, both with built-in wardrobes and the master bedroom ensuite

The seller was very clever and covered the utility area, giving great storage, for all the family's bits and pieces.

All the appliances in the kitchen are as new, including a recently fitted water boiler.

This is an extremely quiet and tranquil development in a busy and bustling area of Marbella. The swimming pool alone will sell this property, it's beautifully maintained, a great size and such a nice place to relax during the warmer months.

The property is listed today and won't be around for long
