Costa del Sol, Guadalmina Alta

A sizable semi-detached home, positioned on a southern-facing corner in Villas y Golf, Guadalmina Alta, near the Golf Club and shopping center. This residence boasts 4 double bedrooms and 3 bathrooms, located just 5 minutes away from the San Pedro Alcántara health center, public schools, daycare centers, and various international/private schools.

Notably distinct from other townhouses in the area, this corner townhouse surprises with its unique layout, offering exceptional brightness and spaciousness. On the ground floor, a welcoming entrance leads to an expanded kitchen on the right, a storage room below, a full bathroom with a sizable shower and natural light to the left, and a ground floor bedroom to the right. The spacious living room, featuring a fireplace, opens to a private garden with a covered terrace, expanded due to its corner positioning. Additionally, the garden area has replaced grass with a small gym or storage space.

The first floor, adorned with wooden flooring and updated carpentry throughout, comprises three generously sized bedrooms with built-in wardrobes. The master bedroom includes a separate dressing area, a terrace overlooking the communal areas, and an en-suite bathroom with a bathtub. The other two bedrooms, also spacious, share a renovated bathroom.

Furthermore, the house provides two parking spaces and stands as a highly private corner property, considered one of the finest in the urbanization. The community offers 24-hour concierge and security services, a beach-like pool with saline chlorination ideal for children, expansive green spaces with a playground, Fiber Optic Internet available for only 15 euros per month through a community contract, and recently installed Natural Gas across the urbanization.
